 - (2) with the exception of any penalties, are no more than necessary to cover the reasonable costs of the governmental activity for which the Fee is imposed; and
 - (3) with the exception of any penalties, the manner in which those costs are allocated to a payor bear a fair or reasonable relationship to the payor’s burdens

on, or benefits received from, the governmental activity for which the Fee is imposed.

(b) The Fees are not taxes within the meaning of California Constitution article XIII C, section 1(e).

4. If any section, subsection, clause or phrase in this resolution or the application thereof to any person or circumstances is for any reason held invalid, the validity of the remainder of this resolution or the application of such provision to other persons or circumstances shall not be affected thereby. The Board of Directors hereby declares that it would have passed this resolution and each section, subsection, sentence, clause, or phrase thereof, irrespective of the fact that one or more sections, subsections, sentences, clauses, or phrases or the application thereof to any person or circumstance be held invalid.
